THIS IS FROM THE DEAR+ MAY 2010 APPENDIX DRAMA CD "~PROTECT THE NIGHT~" LILY-SAN SENT THIS CHINESE RYUUSEI PICTURE TO GENMA
Ackkk! Delete that!
Looks like I have no choice. I will receive it this time.
I'll send it to you too

Hello, Shimizu Yuki here. This is some fanservice for everyone who has helped me with what we have done this year. Thank you very much. In the Drama CD, Himi and Genma do nothing but mess around and flirt. While the actual story is 8 pages, I also drew a conclusion and some new material, so please look forward to it.

This time, it's just fanservice for everyone, but to finally complete it, I encountered some hurdles. But more people than I had expected seem to be looking forward to it, so I'm happy. I also feel as if I have to apologize for this a little...! While this afterword isn't really substantial, I would still like to add it to this release. These two are very hard to understand, but I hope you can gain a little bit of pleasure from reading it.

The serialization is coming to its last stages and the final volume is going on sale at the end of the year. If you can enjoy this until the end, I will try my best! Until next time.

Shimizu Yuki
